Dear Gary –

Thank you for continuing to work with US Conec to meet the local market demands for high performance multi-fiber optical interconnect solutions.

We are pleased to work closely with ShenZhen Foms Fiber Company, Ltd. as an approved channel to provide US Conec MTP Connector solutions to the local Chinese market.

US Conec will continue to strive, alongside ShenZhen Foms, to provide products which meet or exceed the industry standards. Please ask your clients to contact me directly for a reference or if they have questions.

I look forward to continuing our support of you and your team.

Kind regards,

Stuart Melton
